

Dream Weddings Are Made Here

Our farm is 150 acres of wedding and special events paradise. We have a vast campground area that features a newly renovated “rustic” feel 2-bedroom cabin, 2 open style sleeping cabins, 8 RV spots with power and water hookups and lots of room for dry camping. Enjoy the wildlife, trout ponds, and the **Huihill Creek** that runs right down the middle of the property. Our 3,600 square-foot **Loakin Bear Hall** can accommodate 150-200 guests with lots of room for dancing!

A perfect location to host a weekend wedding, fun, stress-free, relaxing, and full of memories to last a lifetime. Our campground & cabin facility has 2 washrooms with showers and a sani dump.

We have an all inclusive pricing that includes a choice of 3 arbours and seating for your ceremony. All of the stuff you would normally rent: tables, white tablecloths, chairs, white chairs covers, variety of chair sashes and table runner colours, and lots of decor to choose from! We want you to make the most out of your weekend festivities. Contact us for more information!
